- ★ Re-usable hundreds of times (approx. 1 year of use*)
- ★ **Your clothes clean and your whites white, guaranteed!**

- Toxic chemicals are everywhere in our life.
- Do you really want to soak the clothes that you wear in chemicals, petro-chemicals and detergents?
- Your skin absorbs EVERYTHING. Consider what you place next to your skin & your family's skin, every day.
- Choose the healthy option to washing your clothes in toxic chemicals.
- Healthier, saves money, saves water and keeps a cleaner environment.
- YES, it really works... clean clothes guaranteed!

* 365 loads of laundry avg. 18 lbs each
