REORDER NOW

**SmartKlean®
 Non-Detergent Laundry Ball**

Thank you very much for making the decision to **Join the *Klean Revolution!*** for a "greener" planet.

To reorder please visit www.TheLaundryBall.com

TIPS:
 A single (1) SmartKlean® Non-Detergent Laundry Ball is recommended for normal loads (@18 lbs).
 Spring and summer washer loads typically lighter weight because they contain t-shirts, shorts and other light, warm weather apparel. One (1) laundry ball is suitable.
 Two SmartKlean® Non-Detergent Laundry Balls are recommended for larger loads (greater than 18 lbs).
 Because fall and winter loads typically contain heavier flannels, sweatshirts and other heavy, cold weather apparel, two (2) laundry balls are suggested.
